

ESSENTIAL COVER IF YOU WORK IN HOMECARE

From
£1.30
a month

Homecare workers do one of the most important jobs in our society but many have working conditions that hamper their ability to deliver high quality care. Too often they have to cope with visits that are too short and rushed, zero hours contracts, a lack of training, low pay and even pay that is less than the national minimum wage because they are not paid for their travel time.

We provide a full range of member benefits and services, which can include:

- advice, support and help when you need it at work
- a helpline that is open until midnight
- *legal help for you at work and your family at home
- financial assistance and debt advice in times of need
- compensation for accidents and injuries at work.

And we offer a range of exclusive member discounts that can save you and your family money when you are shopping, buying insurance or looking for a holiday.

And you get all this from as little as £1.30 a month – depending on how much you earn.

UNISON HERE WHEN YOU NEED US

We are campaigning to improve the workplace conditions of homecare workers in both the private and public sectors with our Ethical Care Campaign. We are asking all employers and councils to ensure every homecare worker gets at least a Living Wage, paid travel time and regular hours instead of zero hours contracts.

Thousands of homecare workers have already joined UNISON's campaign for a better system of homecare for both workers and people who receive care.
